EXCELLENCE**

## About SGT University and Faculty of Law

SGT University, established in 2013 through a Government of Haryana Legislative Act, is one of the premier institutions of higher education in Delhi NCR. Spread over 70 acres with 18 faculties offering more than 170 courses, the University is committed to providing quality education, fostering research, and nurturing innovation. Our “A+” NAAC accreditation and recognition by UGC and other statutory bodies testify to our dedication to academic excellence.

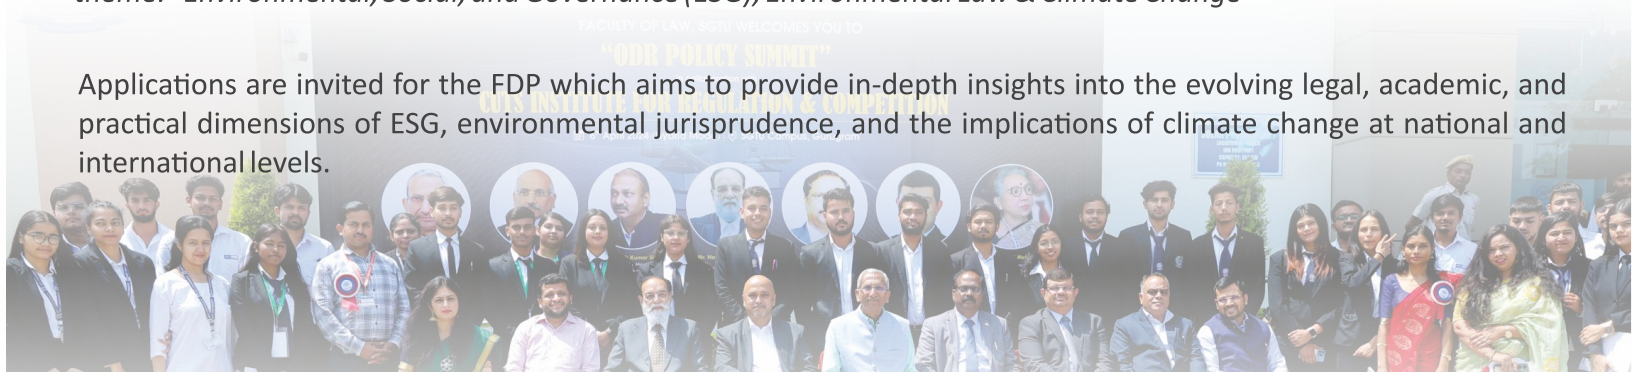

The Faculty of Law, established in 2014, offers a comprehensive range of programs including BA LL.B (H), BBA LL.B (H), LL.B (H), one-year LL.M. with three specializations, and a Ph.D. program. With state-of-the-art facilities, an extensive law library, and access to leading online databases such as SCC Online, the Faculty is dedicated to producing competent legal professionals with a strong sense of ethics and responsibility.

## About Sudhir Mishra Centre for ESG, Environmental Law & Climate Change (SMCEC)

The increasing complexity of environmental challenges, coupled with the growing need for legal expertise in addressing environmental issues, has inspired the Faculty of Law, SGT University, in collaboration with Trust Legal, to establish the Sudhir Mishra Centre for ESG, Environmental Law & Climate Change (SMCEC). Named after the foremost environmental lawyer of the country, Mr. Sudhir Mishra, the Centre serves as a platform for legal support, education, and advocacy in environmental matters. With a focus on ESG principles, climate change, and sustainability, SMCEC strives to bridge the gap between students, policymakers, and communities by conducting socio-legal research, organizing workshops, seminars, symposiums, conferences, and moot courts on environmental law, thereby acting as a think tank and Climate Change–ESG hub.

*In line with this vision, the Sudhir Mishra Centre for ESG, Environmental Law & Climate Change (SMCEC) of Faculty of Law, SGT University, in collaboration with Trust Legal, is organizing Online Faculty Development Program (FDP) on the theme: “Environmental, Social, and Governance (ESG), Environmental Law & Climate Change”*

Applications are invited for the FDP which aims to provide in-depth insights into the evolving legal, academic, and practical dimensions of ESG, environmental jurisprudence, and the implications of climate change at national and international levels.
