ABOUT VIPS-TC

Vivekananda Institute of Professional Studies- Technical Campus

Vivekananda Institute of Professional Studies (VIPS) is a premier institution dedicated to academic excellence, professional growth, and holistic development. With a strong foundation in ethics and innovation, VIPS offers top-tier programs in Law, Business, Media, and Information Technology, preparing students for dynamic careers. With state-of-the-art infrastructure, renowned faculty, and industry collaborations, VIPS provides a rigorous and enriching learning environment. The institute is particularly recognized for its excellence in Law and Economics, fostering critical thinking, research, and real-world problem-solving. Committed to producing future leaders, VIPS continues to shape professionals who excel in academia, industry, and public service.

ABOUT THE COURSE

Economics Analysis of Law

This course explores how legal frameworks influence economic behavior, market outcomes, and resource distribution while economic theory informs legal decision-making. Understanding this intersection helps analyze market behavior, financial regulations, and legal compliance.

With globalization and evolving legal landscapes, expertise in both fields enables informed decision-making, policy advocacy, and sustainable economic growth. It equips professionals to navigate regulatory challenges, resolve disputes, and drive economic development.

COURSE DETAILS & ELIGIBILITY

The course will be conducted virtually through online platforms.

The course is open to all students & professionals from any field.

All modules will be covered for a duration of 30 Hours. Classes to be conducted on weekly.

PERKS OF THE COURSE

Networking Opportunities
